This year we are skipping the Catalog Fundraiser! While we were able to raise a great deal of money through the catalog sales, we wanted to try something easier and more cost effective. The Blue Heron Read-a-Thon Fundraiser is a day to celebrate Reading all day long on October 12th. **The students do not need to sell anything**, or keep track of minutes read or of the number of books read. We are just asking for each student to try for a goal of \$30 in total pledges for committing to participate in school-wide reading activities all day long. All money raised from this event goes directly to the PTA to use towards our Grant program and school support. (The PTA just finished awarding \$5000 in grants and close to \$15,000 in technology from last year's fundraising)
